CONFERENCE ON DISARMAMENT

CD/1200/rev.1
11 June 1993

Original: English

Group of 21: draft statement*

The Conference on Disarmament,

Recalling that a comprehensive nuclear test ban has been on the agenda of multilateral fora for over thirty years,

Urges all its members and invites non-member participant States to contribute to the early attainment of a multilateral legal régime on a comprehensive nuclear test ban,

Reaffirms the particular responsibilities of the Conference on Disarmament in the negotiation of a comprehensive nuclear-test-ban treaty.

---

* Revised in light of the discussions in the informal meeting of the CD held on 9 June 1993.
